

## HARBY GARAGE COVID-19 UPDATE

Due to the announcement of semi lockdown and the instruction to stay at home unless absolutely essential, we as a company have to prioritise ourselves, our staff and our customers health.

The arrangement we have come up with is to operate a one in, one out system and also taking orders for personal shopping at the door to the shop. There is a pen and pad of paper on the table outside the shop door for customers to use for orders. Plus we will be offering home deliveries. For any more information please feel free to give us a call on 01949860213.

In addition to this please find attached a brief list of items that are stocked in our shop, if there is anything extra you require, please let us know and we will do our best to keep the shop stocked to fulfill your order. All items are subject to availability.

You can pay by BACS or over the phone by card.

BACS Details: Sort Code 090720, Account No. 06981372.

If using BACS please put your name as the reference.

Many Thanks,

Harby Garage
